Meet the experts 2023

Since several years the European Spine Journal Editorial Board has been organizing interactive courses under the name 'Meet the Experts'.

Each time we choose a topic, we put together a special issue of the European Spine Journal on the subject with articles by invited Key Opinion Leaders. Those of you who have a journal subscription or can access one, will see this in our upcoming issue.

Program highlights

The edition of 2023 is focused on Single Position Surgery.

The following renowned key experts will share their knowledge and insights on innovative topics which will include:

- ◇ **Applications of single position surgery for ALIF and trans-psoas interbody and posterior approach in degenerative cases**
- ◇ **Complications of lateral ALIF and its management**
- ◇ **Single position corpectomy and applications of prone XLIF**
- ◇ **Single position trans-psoas and posterior (prone-LLIF) in revision or deformity with advanced 3d-imaging and advanced navigation**
